1952 PRICE-LIST of DAFFODILS

offered by WALTZ BROTHERS, P.O.Box 209, ROANOKE, VA.(phone 3-3473)

ALL BULBS offered in this list are of best quality, large blooming-size; - mostly double-nosed, - healthy and true to name; our fields and bulbs are state inspected.

DELIVERY will be made at planting time, - in September, or early October; all bulbs offered in this list will be sent prepaid, usually by Parcel Post.

PAYMENT : cash in full is always acceptable; if you prefer, you may pay 25% of the amount with your order, and the balance prior to shipment (or on delivery, in Roanoke). Other terms, in some instances, by special arrangement.

PLEASE KEEP A COPY OF YOUR ORDER, - and no order for less than \$3.00, please.

* * * * *

PLEASE PLACE YOUR ORDER EARLY : we offer many varieties of which we have only small stocks; by placing your order now, - or not later than June 1st., - you may be assured of receiving the desired varieties, and thus avoiding disappointment.

* * * * *

IMPORTANT : ABOUT PRICES, EXPLANATION OF ABBREVIATIONS, SYMBOLS USED, ETCETERA - PLEASE READ CAREFULLY.

I. The PRICES given are PER BULB; 3 bulbs for 2½ times the price of one, 6 for the price of 5, and 12 for the price of 10, - except on varieties at \$1.00 or more each, which in effect, are priced singly at the dozen rate. On varieties marked with an asterisk (Havelock .20*), 100 bulbs may be had for 70 times the single bulb price, with 50 at the same rate.

II. The NUMBERS and letters preceding the variety name indicate the type of each variety, - or to which Class it belongs. For instance, every variety with a 1 before the name is a Long Trumpet variety; those preceded by 2 are Large-Cupped Narcissi (formerly Incomparabilis and Giant Leedsii); the 3's are Small-Cupped Narcissi (formerly Barrii and Small-crowned Leedsii); the 4's are Doubles, etc., etc. This system of Classification was inaugurated by the Royal Horticultural Society of London, nearly 40 years ago, and revised in 1948 to it's present form. Following is a very much abbreviated outline of same.

- 1. TRUMPET NARCISSI : (a) perianth & trumpet colored; (b) perianth white, trumpet colored; (c) perianth & trumpet white; (d) any other color combination.
- 2. LARGE-CUPPED NARCISSI : (a), (b), (c) & (d) as above.
- 3. SMALL-CUPPED NARCISSI : (a), (b), (c), & (d) as in 1 and 2.
- 4. DOUBLE NARCISSI.
- 5. TRIANDRUS NARCISSI : (a) cup not less than 2/3 length of petals; (b) cup less
- 6. CYCLAMINEUS " : (a) & (b) as in Div. 5. (than 2/3 the petal length.
- 7. JONQUILLA " : (a) & (b) as in 5 & 6.
- 8. TAZETTA " : (mostly Poetaz).
- 9. POETICUS " . 10. Species, Wild forms & their Hybrids. 11. Miscellaneous.

III. The NUMBERS in parentheses (5) following the variety name, give the relative blooming season of that variety, (1) being the earliest, and (5) the latest.

IV. The ASTERISKS (*) following the price of some varieties, indicates that we can furnish that variety at the 100 rate, - 70 times the single bulb price.

V. The ABBREVIATIONS in the very brief descriptions are as follows (others, if any, should be self-evident) - cr. - crown; flo. - floret, or flower; gre. - green; L. - large; or. (or oran.) - orange; per. - perianth (all the petals as a whole); prim. - primrose; ruf. - ruffled; scar. - scarlet; tr. (or trump.) - trumpet; wh. - white; yel. - yellow.

5% CASH DISCOUNT ON ALL ORDERS
